Pastor Search Committee Update:

One resume was received this week. The committee reviewed this resume and an additional resume received two weeks ago. Sixty nine resumes have been received to date.

The candidate which the committee had hoped to speak with this week withdrew his name from consideration on the morning of the phone interview. Of the three candidates the committee has talked with over the phone it was agreed to ask one of those candidates and their wife to meet with the committee in person. The committee discussed possible meeting dates and scheduling conflicts. As of this writing the candidate has not responded to the committee's request for an in-person interview.

The annual church profiles from the churches pastored by the Kentucky candidates were reviewed. These profiles were provided by the Kentucky Baptist Convention. The reports list a number of stats provided by the church yearly. These stats give the committee an idea of the church size and performance during the time the candidate pastored the church. The requested information included the year prior to the candidate's arrival and the year after the candidate left. Please continue to pray for the pastor search committee as it moves into the next phase of the search process.

We pray that you may receive a rich blessing in this time of worship and that Christ our Lord will be more real to you because you have worshipped here today.
