## Sunday School...Learning for Life

### Grade 6—Adults (all except College & Careers, Adults 2)

#### Going Right in a Culture Gone Wrong

We live in a culture that has drifted off course. Many base their thinking and lifestyles on what pop culture endorses. This month's study tackles these issues head-on and shows us the Bible's answer to a culture gone awry.

### College & Careers, Adults 2

Explore the Bible

#### Numbers: Warning! Watch Out for Pitfalls

The first two weeks of this month's studies come from the book of Numbers and emphasize the need to remain grateful for God's care and to stay focused on the goal.

#### Deuteronomy: Listen! Love God Above All

The last three weeks of this month's studies come from the book of Deuteronomy. The lessons focus on the biblical basis for the sanctity of human life, our need to live for God, and an encouragement to affirm the Lord as the Source of life and blessing.

### 1st-5th Grade

#### Joshua and the Judges

This month children will learn about Israel during the time of Joshua and the judges. Through the studies the children will learn they should obey God.

### Toddlers & Preschool

#### God Loves Us

Each week preschoolers will hear about someone God loved and cared for. Through the lessons the children will learn God loves them and cares for them.
